Concessions will be open for food.

Students are responsible for meals, stalls, RV and lodging.

Health and Coggins for horse brought on site.

The clinic starts at 10am on Friday October 27<sup>th</sup> with Charmayne evaluating your barrel run and then riding your horse through the pattern. After evaluations are complete, Charmayne will give a demonstration to be followed by the equine performance dentistry lecture. Saturday and Sunday the clinic starts at 8am with drills and the afternoon will be barrel pattern work. Saturday after barrel pattern work is complete, students will gather at TBD location for a talk about mental preparation. The clinic will come to a close after the Live Clock Race in the afternoon.

Approximately one to two weeks prior to the start of the clinic you will receive an email. In that email, there will be information on how to download the app to schedule your evaluation time. Also included will be the clinic schedule, rider questionnaire and waiver. If you don't receive the email, please check your spam folder.

Please print and fill out the attached rider questionnaire and waiver provided in that email and bring to your evaluation. If you are not able to print the questionnaire and waiver, they will be provided at the clinic at the main arena around 9am. Your check in time is your evaluation time. Allow enough time before your evaluation to fill out the paperwork and get your horse saddled and warmed up. Please bring your paperwork with you to your evaluation.

Clinic questions please email
